

Leadership Coaching

for the Human Services Field

Ronna Warsh is a certified coach with years of public sector experience and numerous leadership awards.

For Employees

Be the best “you” at work. Ronna supports and inspires you to reach new heights of success in your career by investing in your future. Discover your true talents and put them to use in your workplace.

For Employers

Look for the best in your employees and you will find it. Invest in succession planning for your employees today and your organization will reap the benefits for years to come.

What will coaching do for you?

- Learn to access and trust your own wisdom, intuition, and power.
- Clarify what you want to achieve and take the action needed to make that goal a reality.
- Move through inner and outer blocks and obstacles.
- Become a more inspirational leader that others want to follow.
- Align your heart, mind, and words so that you can act with integrity, gaining trust and motivating others.

Sessions can be done in person, by phone or online through Skype®.

Daytime, evening, and weekend appointments are available to suit your busy schedule.

Group Coaching is also available.
